The PSAT/NMSQT is **NOT** a practice test!

A **perfect** score doesn't require all perfect answers!

There is **NO** limit to multiple testing!

SMART kids can sometimes choose DUMB answers!

Scoring high on the SAT or the PSAT/NMSQT can not only aid in college entrance, but also provide your child with scholarships that could include *full tuition, room and board, honors dorms, graduate money and stipends to study abroad.*

- **Highest** Scores = **All-inclusive Scholarships** to Higher-End Colleges

## Class F.A.Q.s

### **What makes *College Prep Genius* different from other prep courses?**

Although there are many other SAT prep courses available, most of which are beneficial, **THIS** course teaches unique strategies that are invaluable to the serious student. It is designed to teach students how to look for the hidden patterns that are found on the SAT and other standardized tests. We teach proven techniques, clever ACRONYMS and logical strategies that help students match answers to problems.

### **How does the “Master the SAT Class” prepare students for the SAT?**

The SAT is a logic and reasoning test and understanding the recurring patterns of the questions is the key to taking the test. The topics addressed by this class include verbal reasoning skills, writing skills, vocabulary analysis, how to write a winning essay and how most math problems can be easily solved.

### **When and where are the classes held?**

Class location is in **McKinney at Faith Christian Academy, 115A Industrial Blvd.**, April 18 (5:00-9:30) & Saturday, April 19 (9-3:30) Parents are allowed to stay if there is room.

### **What should I bring?**

Please bring several sharpened pencils, a calculator, a drink , \$3 for pizza(Friday) and a lunch (Saturday).Snacks will be provided. (If you food allergies, you may want to bring your own snack.) Please remember to bring the tuition (\$99) and the registration form.

### **When should students take this class?**

Students should start preparing for the PSAT/NMSQT and SAT as early as ninth grade. The earlier one starts preparing, the more he or she can improve!

*College Prep Genius has successfully helped hundreds of students raise their test scores (sometimes as much as 500 points). See more testimonials at [www.collegeprepgenius.com/testimonials.html](http://www.collegeprepgenius.com/testimonials.html).*
